

The Novo Nordisk UK Research Foundation

The Novo Nordisk UK Research Foundation, established in 1996, is a charity to support researchers in the field of diabetes. Funding is available on a competitive basis for

clinicians, including nurses, and allied healthcare professionals working in adult services, general practice and paediatrics. We are now inviting applications for the 2012 awards:

Research Fellowships

1. An award for a clinical research fellowship in primary or secondary care (up to 3 years duration, part time considered) to a clinician or a nurse supporting work towards PhD or MD
2. A joint award (with the Medical Research Council MRC) for a clinical research training fellowship to support a doctor in working towards a PhD please contact www.mrc.ac.uk

Grant Awards

Grant awards for doctors, nurses and basic scientists:

- Small research project grants up to £10,000 (up to 3 awards available)

Fund Awards

Fund awards for nurses and allied healthcare professionals:

- Attendance at a national or international meeting up to £1,000
